RE: **18TP018 – 2018-2021 Transportation Improvement Program Amendment #18-003**

The South Dakota Department of Transportation has planned upgrades to some of the permanent vehicle classification sites throughout the state in 2018. One of the sites is located within the Metropolitan Planning Area (MPA), so the project is being added to the TIP.

A new Roadway Safety Improvement project has been identified in 2019, with some of the projects located in the MPA, also requiring the addition of the project to the TIP.
